- July 5** **Westbrook City Band** – In the 1880's, a band known as The Salaberry Band was formed, which, in 1884, became known as the Westbrook City Band. Their repertoire ranges from the classics and light classics to overtures, Broadway show tunes, marches, solo works with band accompaniment, and Dixieland jazz selections. For almost eighty years, only five full-time conductors have led the band – Sam Guimond, John Gooch, Arthur Stevens, Dick Kelley, and, since 1984, their present music director, Jerry Brooks.
- July 12** **David Good** – David Good is a native Maine singer-songwriter whose talent and passion for making music has been pleasing audiences for more than three decades. Influenced at an early age by artists like Neil Young, Dan Fogelberg, and James Taylor, it wasn't long before his ability to play acoustic guitar and carry a tune blossomed and he was performing throughout Maine and New England. David's eclectic blend of cover songs and original music has made him a favorite on the music scene for over 30 years.
- July 19** **Jose Duddy** – Maine's #1 country singer and entertainer! He is a member of the Down East Country Music Association and has won many awards throughout New England. In 1999, he won the Traditional Male Vocalist Award from the United States Country Music Association. He now travels throughout the Northeast singing at hotels, resorts, weddings, corporate events, and fairs.
- July 26** **Stolen Mojo** – Stolen Mojo, based out of Gray, is Maine's ultimate party/dance band for all occasions. Consisting of five fixtures from the Maine music scene, Stolen Mojo has the versatility and experience to make your show, corporate function, or wedding a smash hit. Listen as they play hits from the last five decades!
- August 2** **Dirty McCurdy** – Founding member and bassist Scott McCurdy joins forces with Ian Barclay, Rich Chaisson, and Seth Ross for a musical ride through the decades. Raised on classic rock and influenced by music from the 1940's to today, the boys like to bring a dance party wherever they go.
- August 9** **Pardon Me, Doug** – Pardon Me, Doug is a premier Phish tribute band formed in the fall of 2012 by Portland, ME, music scene veterans Benny St. Clair, Kevin Roper, Chris Chasse, and Cameron Gray. They've quickly amassed a loyal following of their own fellow Phish fans who, like themselves, need their fix when Phish isn't on tour. With a catalogue of over 160 Phish songs, no Pardon Me, Doug show is the same and the jams are a perfect blend of years of Phish influence and their own takes on the high-energy improvisation that Phish is so well known for. A Pardon Me, Doug show is not just a concert, it's an experience! Close your eyes and you just may think you're at the real thing!
- August 16** **Bob Charest Band** – A local favorite! The Bob Charest Band is a polished, nine-piece event band that provides the perfect night of music, versatility, and talent! From sophisticated four-part jazz standards or the timeless appeal of Motown and R&B, to 80's classics and contemporary dance, the Bob Charest Band does it all!
- August 23** **The Delta Knights Band** – Since 1996, The Delta Knights Band, based in Portland, ME, have specialized in the best of R&B, blues, classic rock, and swing. They've been voted one of the country's best wedding bands by *Modern Bride Magazine* several years running!
